SUBMITTING A CHALLENGE FOR CPF

- Challenge is based on preventing infrastructure overbuild.
- Challengers will submit evidence to show that corresponding locations are currently served.
- Challenge submission includes:
 1. A spreadsheet of National Broadband Map Location ID's to be challenged (.CSV File Format)
 2. Corresponding written evidence to show that the locations being challenged are currently served.

Send email to: PBDA_CPFBIChallenge@pa.gov

AFTER A CHALLENGE IS SUBMITTED

- Once challenges are submitted, PBDA will notify the entity that is being challenged.
- Challenged entities will have the opportunity to submit rebutting evidence.
- Challenging and rebutting evidence are then adjudicated and PBDA will notify both challenging and challenged entities of adjudication outcome.

More details to follow on PBDA website.
